Ascent

Strategically located at the gateway of Singapore Science Park 1, Ascent is a 7-storey integrated development offering approximately 40,000 sqm of business park space, with 4,000 sqm for retail and food and beverage outlets. A short 5-minute walk to the Kent Ridge MRT station, Ascent offers accessibility as well as efficiency of space with large, contiguous floor plates of up to 7,000 sqm. The iconic development redefines Singapore Science Park with human-centric architecture, and lush landscaping throughout the grounds.
